DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: the prior art does not teach or make obvious a lever handle return spring assembly having all of the claimed elements arranged as best set forth in the claim but most particularly including a support plate with cylindrically depressed portion and stop tab, a pair of compression springs in a cylindrical spring housing having a pair of annular spring channels and a slot therebetween and at least one radially-projecting stop lug, and a cover plate to retain the compression springs in their arrangement and having at least one stop, and a through-bolt extending through bolt holes in the cover plate and support plate.

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
